BOBA PEARLS, TAPIOCA PEARLS, TAPIOCA BOBA

Handmade premix tapioca powder with no added preservatives allows for the development of your own flavored boba. Such as no flavor(original) boba, honey boba, traditional brown sugar boba, strawberry boba, sesame boba, sweet potato boba, taro boba, and more.

TAPIOCA POWDER FOR BUBBLE TEA

POPPING BOBA WHOLESALE

Popping Boba is a revolutionary beverage topping crafted using advanced molecular gastronomy. Each boba is encapsulated in a seaweed-extract skin (Sodium Alginate and Calcium Lactate) that holds a vibrant burst of fruit juice inside. Unlike traditional chewy tapioca pearls, Popping Boba offers a "burst-on-bite" experience, releasing an instant flood of flavor that transforms any drink into a multi-sensory journey.

POPPING BOBA, POPPING BOBA, FRUIT POPPING BOBA

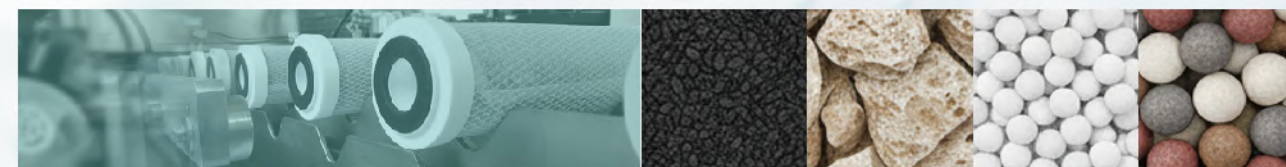

Providing a variety of flavors and blends to meet diverse global market needs.
